

Technetium-99 Product Information

Specifications

Radioisotope	Tc-99
Half-life/Daughter	2.111 x 10 ⁵ years to ruthenium-99
Decay	Decay Radiation Information (NNDC)
Chemical Form	Solid ammonium pertechnetate or technetium metal
Radionuclidic Purity	>99%
Production Route	Legacy material
Processing	None
Primary Container	Glass bottle
Availability	Stock
Unit of Sale	Grams
